Children must be 10 yrs or over to Snowboard. There are only 8 spaces available on each snowboard lesson. Staff will determine which children take part in snowboard lessons as this is a very important activity. Please note that in case of any unforeseen circumstances, we reserve the right to cancel or change any of the activities advertised. We acknowledge the high priority to safety and it comes first in all our activities. We ask that a parent or guardian accompany each child to the registration desk each day. Please ensure that they are wearing comfortable clothing and soft shoes. Gloves are required for each child to participate in skiing/snowboarding. Unless requested, no toys, games, or any items of value should be brought to the camp. It is important that the parent or guardian presents themselves to pick up their child.
